- Orchestrations Ravel had done
- Techniques

6. Pavane orchestral version analysis

- Differences between piano and orchestral versions
- Instrumental choices

7. Legacy and reception

- Pavane in popular media

Your Lie in April

Pavane appears in *Your Lie in April* as an important and symbolic representation in the series, representing an important theme(?). Already in the piece's title, *Pavane pour une infante défunte*, the meaning behind is already shown. [Despite not literally about dead princess] In which “pavane” is a slow dance and the “princess” referring to Kaori. However, Kaori's health deteriorates, leading to the “dead princess” referred to in the title.
